Mr. Marin Rothenstein
8 Genesee Trail
Harrison, New York 10528

Dear Mr. Rothenstein:

Why Oswald went to his roominghouse after the assassination is anybody's conjecture. Mine is that he was innocent; but with his background, after what had happened, he figured the best place for him was to be unseen.

In WHITEWASH I say the Commission's evidence proves him innocent. In WHITEWASH II I carry this proof much further and print pictures which also show it.

Sincerely,

Harold Weisberg
